Rev. Anne MacNabb, Rector  
Trinity Episcopal Church  
7474 Washington Blvd  
Elkridge, MD 21075

Dear Rev. MacNabb:

Please thank the congregation for again demonstrating their strong support of *Prepare for Success* through the donation of new school supplies. We greatly appreciate their continued support of the students and the program.

We distribute all the donated school supplies to Howard County Public School students from low-income families. We are a wealthy county, but 1 in 5 of our public school students are on Free and Reduced Meals. We have already served this year a record 2,450 students.

Prepare for Success has been collecting and distributing school supplies for fifteen years. We were founded by the faith based, Christ Church Link, though for the last ten years have been linked to the Community Action Council. The faith community remains an amazing partner

Trinity Episcopal Church is a critical part of this incredibly caring, countywide partnership. Your efforts will help provide the supplies that will enable students to start school alongside their more fortunate classmates – *prepared for success*.

Sincerely yours,

Roy and Susan Appletree, Co-Coordiators

A Community Partnership of Howard County Community Action Council and the  
Howard County Public School System
